**AMENDMENT PURSUANT TO DECISION ON APPEAL**  
**Appeal No. 2009-006595**

On July 29, 2010, the Board of Patent Appeals and Interferences issued a Decision in Appeal No. 2009-006595 for Application No. 10/626,194. In the Decision, the Board vacated the grounds of rejection of the Examiner and issued a new ground of rejection. In response to the new ground of rejection, Appellants were required to either reopen prosecution by submitting an appropriate amendment of the claims so rejected or to request a rehearing. Appellants have elected to reopen prosecution by submitting an amendment of the claims.

No fees are believed to be necessary. If, however, any fees are required, I authorize the Commissioner to charge these fees to IBM Corporation Deposit Account No. 09-0457.

In response to the Decision on Appeal of July 29, 2010, please amend the above-identified application as follows:

**Amendments to the Claims** are reflected in the listing of claims which begins on page 2 of this paper.

**Remarks/Arguments** begin on page 7 of this paper.
